**From March 1-31, 2010, the American Association of Acupuncture & Oriental Medicine Student Organization (AAAOM-SO) is proud to offer all AOM students \$25 half-price student memberships during our National Membership Drive. Join us (or renew) in March!**

**Why Join?** By attending a school of acupuncture and Oriental medicine, we're already becoming professional practitioners of AOM. While we're studying points and formulas and theory, there's a great big world out there that is growing more and more aware of the benefits of our medicine. While we're learning to practice, laws and regulations are being proposed and passed that impact where, when, and how we practice. All of this affects you! Getting involved in these discussions now – being aware, taking action – is part of our education...part of our journey as a professional AOM practitioner.

**Our future is now.**

**Are you interested in:**

- Networking with other **AOM professionals?**
- **Winning \$1,000** by writing an essay?
- Complete access to **Chinese herbal medicines?**
- **National AOM Legislation?**
- Writing articles for **national publications?**
- Talking **theory and diagnosis** with fellow students?
- **Marketing tools** to help you practice successfully?

**You can help shape the profession and make our goals real by becoming a member of the AAAOM-Student Organization. We need your voice.**

**Expo 2010:** The annual AAAOM conference is a great way to meet students and practitioners from across the country, see the rich diversity of our medicine, and get up to speed on the professional and political landscape. **Make your plans to attend today!**

**Timing Counts:** The ½ price student membership discount is available during March, 2010, only. (*Early submissions at the \$25 rate cannot be accepted.*) Sign up at your AOM school or online at [www.aaaomonline.org](http://www.aaaomonline.org) (click the **Student Services** link on the left ). Printed copies of the application must be postmarked by 3/31/10 and sent to: **AAAOM, P.O. Box 162340, Sacramento, CA 95816.** If you or anyone you know isn't already a member of the AAAOM-SO, or your membership is going to expire anytime during 2010, the online application has been amended for the month of March to calculate the amount due at the discounted student rate of \$25 annually.

**Don't have a local chapter at your school? Start one today! Click here for more information.**

**In 2009, AAAOM-SO membership continued to grow steadily. We currently have over 1000 members at 30 local chapters. Help us reach even greater numbers by joining today!**
